## Heritage Society Membership List

---

The Heritage Society was founded in 1980 to establish a legacy of giving at Gonzaga and honor alumni and friends who have made a commitment to the University through an estate gift. Estate gifts to Gonzaga are made in many forms, including bequests, charitable remainder unitrusts or gift annuities, lead trusts, gifts of life insurance or gifts of retirement assets. We are honored to acknowledge our alumni and friends who have made a future commitment to the University.

The individuals listed below and others, who wish to remain anonymous, comprise this group of benefactors.
